COURSE OBJECTIVES:

The objective of this class is to build an understanding and a trust in the Word of God, and how it can change your life, and the life of those around you, by pointing to Jesus Christ. We will study creationism and the God of creation to learn more about how to defend against contrary views. With this class, as with all future classes, our hope is that when you are finished you will have a greater love for Gods Word, Gods people, and Gods Church, a love that compels you to Study more, Worship more, and Serve more. It is not our desire to increase your knowledge, for the sake of knowledge, which can puff up, but to increase your knowledge so that you can see the magnificence of your God and Saviour.

HOW?

We will accomplish these objectives by learning more about Gods Word, and by having time of fellowship with each other, and by serving in our Church and our community.
